STUART MITCHELL, ESQ., AT (212) 837-6809.**

TO THE HONORABLE SHELLEY C. CHAPMAN,
UNITED STATES BANKRUPTCY JUDGE:

James W. Giddens (the “Trustee”), as Trustee for the liquidation of the business of Lehman Brothers Inc. (the “Debtor” or “LBI”) under the Securities Investor Protection Act of 1970 as amended, 15 U.S.C. § 78aaa *et seq.* (“SIPA”),¹ by and through his undersigned counsel, respectfully represents as follows:

RELIEF REQUESTED

1. The Trustee files this two hundred ninth omnibus objection to general creditor claims (the “Two Hundred Ninth Omnibus Objection to General Creditor Claims”) pursuant to section 502(b) of title 11 of the United States Code (the “Bankruptcy Code”), as made applicable to this proceeding pursuant to sections 78fff(b) and 78fff-1(a) of SIPA, Rule 3007(d) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and this Court’s order approving procedures for the filing of omnibus objections to general creditor claims filed in this SIPA proceeding (the “General Creditor Claim Objection Procedures Order,” ECF No. 5441), seeking disallowance and expungement of the claims listed on Exhibit A annexed hereto. The Trustee’s proposed order (the “Proposed Order”) is annexed hereto as Exhibit C.

2. The proofs of claim identified on Exhibit A (the “No Liability Claims” or the “Claims”) seek unpaid award amounts associated with the Lehman Brothers Partnership Account Plan. (the “Plan”). The Plan was a benefit program for former Lehman employees governed by the terms set forth in the document titled *Lehman Brothers Partnership Account Plan Employees Through Vice President Level* (the “Plan Document”), attached as Exhibit 1 to the Declaration of

1. For convenience, subsequent references to SIPA may omit “15 U.S.C.”

Stuart Mitchell annexed hereto as Exhibit B (the “Mitchell Decl.”). Pursuant to the terms of the Plan Document, all participants received awards entitling them to potential payments from Lehman Brothers Holdings Inc. (“LBHI”). To the extent that participants did not receive payments in connection with the awards, the Plan Document provides that the rights of the participants shall be no greater than those of unsecured general creditors of LBHI. The Plan Document does not establish any liability for the LBI estate with respect to the unpaid Plan awards. Moreover, the right to Plan award payments from or an unsecured general creditor claim against LBHI does not create a right to payment from or claim against LBI, the debtor in this separate and distinct SIPA Proceeding (defined below).

3. The Trustee respectfully requests that the Claims be disallowed and expunged from LBI’s general creditor claims register in their entirety. The Trustee reserves all rights to object on any basis to any Claim as to which the Court does not grant the relief requested herein.

JURISDICTION

4. Following removal to this Court for all purposes as required for SIPA cases by section 78eee(b)(4) of SIPA, this Court has “all of the jurisdiction, powers, and duties conferred by [SIPA] upon the court to which application for the issuance of the protective decree was made.” 15 U.S.C. § 78eee(b)(4).

5. Venue is proper in this Court pursuant to SIPA section 78eee(a)(3) and 15 U.S.C. section 78aa.

BACKGROUND

6. On September 19, 2008 (the “Filing Date”), the Honorable Gerard E. Lynch, United States District Court, Southern District of New York, entered the Order Commencing Liquidation of LBI (the “LBI Liquidation Order,” ECF. No. 1) pursuant to the provisions of

SIPA in the case captioned *Securities Investor Protection Corporation v. Lehman Brothers Inc.*, Case No. 08-CIV-8119 (GEL). The LBI Liquidation Order, *inter alia*, (i) appointed the Trustee for the liquidation of the business of LBI pursuant to section 78eee(b)(3) of SIPA; and (ii) removed the case to this Court for all purposes as required for SIPA cases by section 78eee(b)(4) of SIPA, in the case captioned *In re Lehman Brothers Inc.*, Case No. 08-01420 (JMP) (the “SIPA Proceeding”).

7. On November 7, 2008, the Court entered the Order Approving Form and Manner of Publication and Mailing of Notice of Commencement; Specifying Procedures and Forms for Filing, Determination, and Adjudication of Claims; Fixing a Meeting of Customers and Other Creditors; and Fixing Interim Reporting Pursuant to SIPA (the “Claims Process Order,” ECF No. 241). Beginning on December 1, 2008, consistent with SIPA section 78fff-2(a)(1), the Trustee mailed more than 905,000 claims packages with filing information to former LBI customers and other potential claimants and posted claims filing information on the Trustee’s website (www.lehmantrustee.com) and SIPC’s website (www.sipc.org). The Trustee also published notice of the claims process in The New York Times, The Wall Street Journal and The Financial Times.

8. Pursuant to SIPA section 78fff-2(a)(3) and the Customer Claims Process Order, customer claims seeking maximum protection under SIPA must have been received by the Trustee on or before January 30, 2009. All customer claims and general creditor claims must have been received by the Trustee by June 1, 2009 and no claims of any kind will be allowed unless received by the Trustee on or before June 1, 2009 (the “Pre-Filing Date Bar Date”). In addition to the Pre-Filing Date Bar Date, on September 19, 2013, the Bankruptcy Court entered an order (the “Administrative Bar Date Order”) that established October 31, 2013 (the

“Administrative Bar Date”) as the deadline to file a proof of claim for certain administrative expense claims against the LBI estate, as further described in the Administrative Bar Date Order, with respect to such administrative expenses arising between September 19, 2008 and August 31, 2013. The Administrative Bar Date has now passed. A copy of the Customer Claims Process Order was made publicly available at www.lehmantrustee.com. The Trustee’s website allowed claimants filing electronically to upload documents as part of their claim submission and thereby comply with the instructions to include supporting documentation set forth in the Proof of Claim.

9. On November 15, 2012, the Court entered the General Creditor Claim Objection Procedures Order, which authorizes the Trustee, among other things, to file omnibus objections to no more than 200 general creditor claims at a time, on various grounds, including the grounds that the claims subject to the omnibus objection seek recovery of amounts for which LBI is not liable.

THE NO LIABILITY CLAIMS SHOULD BE DISALLOWED AND EXPUNGED

10. A filed proof of claim is “deemed allowed, unless a party in interest . . . objects.” 11 U.S.C. § 502(a). If an objection refuting at least one of the claim’s essential allegations is asserted, the claimant has the burden to demonstrate the validity of the claim. *See In re Oneida Ltd.*, 400 B.R. 384, 389 (Bankr. S.D.N.Y. 2009); *In re Adelphia Commc’ns Corp.*, Ch. 11 Case No. 02-41729 (REG), 2007 Bankr. LEXIS 660, at *15 (Bankr. S.D.N.Y. Feb. 20, 2007); *In re Rockefeller Ctr. Props.*, 272 B.R. 524, 539 (Bankr. S.D.N.Y. 2000). Moreover, section 502(b)(1) of the Bankruptcy Code provides, in relevant part, that a claim may not be allowed to the extent that “such claim is unenforceable against the debtor and property of the debtor, under any agreement or applicable law.” 11 U.S.C. § 502(b)(1).

11. Each of the No Liability Claims seeks unpaid amounts in connection with awards made to Plan participants. The Plan provided Lehman employees with a bonus in the form of awards representing certain private equity fund investments made by LBHI and its affiliates on behalf of the Plan participants. *See* Plan Document; *see also Partnership Account: Share in Private Equity Investment Opportunities* (the “Plan Summary”), attached as Exhibit 2 to the Mitchell Decl. Plan participants were automatically enrolled in the Plan and subsequently entitled to potential payments from LBHI based on the return of a pool of investments. *See* Plan Summary, 1-2, 5-7; Plan Booklet, 2-3. To the extent award amounts were not paid, participants have rights no greater than those of general, unsecured creditors of LBHI. *See* Plan Document, 3 (“With respect to any payments not yet made to a Participant by [LBHI], nothing herein contained shall provide any Participant with any rights greater than those of a general, unsecured creditor of [LBHI].”). Consistent with the obligations of LBHI set forth in the Plan Document, Plan participants, including former employees of LBI, that filed claims for unpaid Plan awards in the Chapter 11 Proceedings, received allowed general unsecured claims.² *See, e.g.,* Three Hundred Twenty-Seventh Omnibus Objection to Claims (Partnership and Other Employee Claims), dated July 10, 2012, in the chapter 11 proceedings of LBHI and certain debtor affiliates, captioned *In re Lehman Brothers Holdings Inc., et al.*, Case No. 08-13555 (SCC) (the “Chapter 11 Proceedings”) LBHI ECF No. 29322 (the “327th LBHI Omnibus Objection”). Neither the Plan Document nor the Plan Summary provides any indication that the LBI estate has any liability for the unpaid Plan award amounts referenced in the Claims.

2. Several of the claimants asserting the Claims listed on Exhibit A have duplicative allowed general unsecured claims for unpaid Plan awards in the Chapter 11 Proceedings.

12. The holders of the Claims fail to articulate any legal or factual justification for asserting a claim against LBI. The Plan Document does not provide for a right to any recovery from the LBI estate for unpaid Plan award amounts. The right to an unsecured claim against LBHI does not give rise to a claim against or create an interest in LBI, the debtor in this separate and distinct SIPA Proceeding. If the Claims remain on the claims register, parties with no valid claims against the LBI Estate will recover. Thus, the Trustee respectfully requests that the Court enter an order disallowing and expunging in their entirety the Claims listed on Exhibit A.

RESERVATION OF RIGHTS

13. The Trustee reserves all rights to object on any other basis to any Claim for which the Court does not grant the relief requested herein.

NOTICE

14. Notice of this Two Hundred Ninth Omnibus Objection to General Creditor Claims has been provided to (i) each claimant listed on Exhibit A via First-Class Mail and (ii) the list of parties requesting notice of pleadings in accordance with the Court's Amended Order Pursuant to Section 105(a) of the Bankruptcy Code and Bankruptcy Rules 1015(c) and 9007 Implementing Certain Notice and Case Management Procedures and Related Relief entered by the Court on July 13, 2010 (ECF No. 3466), and will be immediately available for inspection upon filing with the Court at the Trustee's website, www.lehmantrustee.com. The Trustee submits that no other or further notice need be provided.

NO PRIOR RELIEF REQUESTED

15. No previous request for the relief requested herein has been made by the Trustee to this or any other Court.

CONCLUSION

For the reasons stated herein, the Trustee respectfully requests entry of an order granting the relief requested herein and such other and further relief as is just.

LEHMAN BROTHERS PARTNERSHIP ACCOUNT PLAN EMPLOYEES THROUGH VICE PRESIDENT LEVEL

SECTION 1 - DEFINITIONS

For purposes of the Plan, the capitalized terms shall have the meanings ascribed to them in Appendix A.

SECTION 2 - PURPOSE

The purpose of the Plan is to attract and retain Eligible Employees by providing them with the opportunity to receive additional compensation, subject to the terms of the Plan, based on the performance of certain investments made by the Company and its Affiliates.

SECTION 3 - ADMINISTRATION

The Plan shall be administered by the Committee, which shall be authorized: to determine whether Awards will be granted; to select Participants from among Eligible Employees; to determine Base Awards and Leverage Amounts; to identify Portfolio Investments; to interpret the Plan; to establish, amend and rescind any rules and regulations relating to the Plan; to determine the terms and provisions of each Award Certificate; to make all determinations necessary or advisable for the administration of the Plan; and to correct any defect, supply any omissions or reconcile any inconsistency in the Plan or in any Award Certificate in the manner and to the extent it shall deem desirable. The actions and determinations of the Committee in the administration of the Plan shall be final and conclusive with respect to all parties. The Committee may, in its sole discretion (i) delegate any of its responsibilities hereunder, and (ii) alter the terms of the Plan as it may deem necessary, in the case of Eligible Employees subject to the laws of any foreign jurisdiction, to give effect to the intent of the Plan.

SECTION 4 - PARTICIPATION IN THE PLAN; EFFECT OF PARTICIPATION

- 4.1 Participation in the Plan. For each Award Period, the Committee may grant an Award to any Eligible Employee, at its sole discretion. Each Eligible Employee to whom such an Award is granted shall be a Participant with respect to such Award Period and shall receive an Award Certificate specifying the terms and conditions of such Participant's Award (including the Base Award and the Leverage Amount).
- 4.2 Designation of Portfolio Investments; Deemed Investment of Awards. The Committee shall designate those investments that shall be treated as Portfolio Investments for each Award Period and the percentage of each Award that is deemed invested in each such Portfolio Investment.
- 4.3 Effect of Award. Subject to the terms of the Plan, the grant of an Award shall entitle a Participant to a payment

or payments under Section 6, based on the amount credited to the Participant's Account for the applicable Award Period under Section 6.

SECTION 5 - VESTING OF A PARTICIPANT'S ACCOUNT

- 5.1 General Rule. Each Participant's Account with respect to a particular Award Period, net of any reduction for amounts credited to the Company, shall vest fully upon the earlier of:
- (a) The third anniversary of the beginning of that Award Period, but only if the Participant has remained Continuously Employed by a Participating Company from the date the Award relating to that Award Period is granted until such third anniversary date; or
 - (b) The Participant's death, Disability or Retirement after the beginning of that Award Period and prior to such third anniversary date; provided however that if, prior to the third anniversary of the beginning of the Award Period, an individual whose separation from employment was a Retirement becomes employed in a regular full-time capacity by a Competitor, such individual's Account shall thereupon be forfeited in full.
- 5.2 Special Vesting Rule. In the case of a Participant who (x) is an Analyst or Associate, or has been determined, in the sole discretion of the Committee, to be covered by the provisions of this Section 5.2, and (y) incurs a Break in Service prior to becoming fully vested in his or her Account pursuant to Section 5.1(a), the following rules shall apply.
- (a) Upon the commencement of the Break in Service, such individual shall no longer be a Participant.
 - (b) Upon meeting all of the following conditions, such individual shall be restored to Participant status:
 - (i) Such individual separated from employment by a Participating Company in good standing;
 - (ii) The purpose of the separation was to matriculate in an Approved MBA Program or other educational program approved in writing by the Committee in its sole discretion;
 - (iii) The individual subsequently graduated from (A) an Approved MBA Program and receives the degree of Master of Business Administration or (B) another educational program approved in writing by the Committee;

- (iv) A Participating Company (in its sole discretion) extended to the individual a written offer of reemployment, such reemployment to commence following such graduation;
 - (v) The individual accepted such offer of reemployment and was reemployed by a Participating Company not later than the earlier of (A) the fourth anniversary of such individual's separation or (B) one year after such graduation;
 - (vi) The individual had not been employed in a regular full-time capacity by a Competitor at any time after his or her separation and before his or her reemployment; and
 - (vii) The individual remained Continuously Employed by a Participating Company for at least one year following his or her date of reemployment.
- (c) If an individual is restored to Participant status, pursuant to Section 5.2(b), he or she shall (i) be treated, for purposes of Section 5.1, as if he or she had been Continuously Employed throughout his or her Break in Service; (ii) receive, as soon as practicable after restoration to Participant status, those cash payments that the Participant would have received under the Plan had he or she remained Continuously Employed (without payment of any additional Interest Equivalents to reflect any delay in payment that would not have occurred had he or she actually remained Continuously Employed); and (iii) be eligible for any additional payments thereafter becoming due to such Participant under the Plan.

5.3 Additional Provisions. Except as provided in this Section 5 or as otherwise prescribed by the Committee, an individual shall no longer be a Participant and such individual's Account shall be forfeited in full upon separation from employment by the Company and its Affiliates prior to becoming vested. The Committee may at any time in its sole discretion accelerate the vesting of any Account.

SECTION 6 - CREDITING AMOUNTS TO A PARTICIPANT'S ACCOUNT; PAYMENTS

- 6.1 Determination of Participant's Return. As Return is realized with respect to each Portfolio Investment, the Committee shall determine the portion of such Return it deems attributable to the Participant, pro-rata based on the percentage of such Participant's Award for the Award Period that is deemed invested in such Portfolio Investment, and credit such Return to the Participant's Account.
- 6.2 Use of Amounts Credited to Participant's Account. The Return credited to a Participant's Account for a Award Period shall, after giving effect to all amounts previously so credited under this Section 6.2:

- (a) first, be credited to and retained by the Company until the Company has been credited with an amount equal, in the aggregate, to the Company Return for that Award Period and the preceding Award Period, in that order;
 - (b) second, be credited to and retained by the Company until the Company has been credited with an amount equal, in the aggregate, to the Participant's entire Leverage Amount for that Award Period and the preceding Award Period, in that order;
 - (c) third, remain credited to the Participant's Account, up to an amount equal, in the aggregate, to the Base Award;
 - (d) fourth, be credited to and retained by the Company until it has been credited with an amount equal to such percentage as may be designated by the Committee pursuant to clause (e) below of the sum of:
 - (i) the Company Return credited pursuant to Section 6.2(a); plus
 - (ii) the cumulative amounts credited to the Company under this Section 6.2(d); and
 - (e) fifth, be divided between the Company and the Participant as designated by the Committee for that Award Period.
- 6.3 Interest Equivalents. Interest Equivalents shall be added to the net amounts credited to a Participant's Account (i.e., those amounts not credited to the Company), when and as determined by the Committee.
- 6.4 Payments to Participants. Subject to the terms of the Plan, from time to time at the sole discretion of the Committee, the Company shall pay the Participant, in cash, the vested amounts in the Participant's Account.
- 6.5 Special Distribution Options After Five Years. If any Portfolio Investments remain unliquidated as of the fifth anniversary of the first day of the Award Period to which such Portfolio Investments relate, or any subsequent anniversary thereof, then the Company shall have the right, but not the obligation, to pay, within 120 days after any such anniversary date, an amount in cash equal to all or a portion of the Participant's vested deemed interest in such Portfolio Investments based on their valuation prices, as determined by the Committee in its sole discretion, and giving effect to the allocations between the Company and the Participant set forth in Section 6.2. The Committee may determine, in its sole discretion, that the provisions of this Section 6.5 may be utilized, before or after the fifth anniversary referred to above, to assist the Company or an Affiliate in meeting its withholding obligations.

SECTION 7 - WITHHOLDING AND OFFSET

The Company shall have the right to deduct from all amounts payable to any Participant any taxes or other amounts required by law to be withheld therefrom, and any amounts the Participant owes to the Company or any of its Affiliates.

SECTION 8 - NON-TRANSFERABILITY

No Award and no portion of the Participant's Account hereunder shall be assignable or transferable, and no right or interest of any Participant in any amount or Participant's Account may be pledged or shall be subject to any lien, obligation or liability of the Participant, except as set forth herein.

SECTION 9 - NO RIGHT TO EMPLOYMENT OR CONTINUED PLAN PARTICIPATION

No person shall have any claim or right to be granted an Award and the grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of the Company or any of its Affiliates or, if separated, to be reemployed by the Company or its Affiliates or to be eligible for any subsequent Awards. Further, the Company and its Affiliates expressly reserve the right at any time to terminate or reemploy a Participant free from any liability or any claim under the Plan, except as provided herein or in any Award Certificate. The granting of any Award hereunder shall not have the effect of obligating the Company and its Affiliates to make any particular investments, nor shall such grant constitute a guaranty that the entire Award will be applied for the benefit of a Participant. The decision whether to invest any amounts in Portfolio Investments will be solely in the discretion of the Committee.

SECTION 10 - AMENDMENT OR TERMINATION

The Board of Directors of the Company or the Committee may amend, suspend or terminate the Plan at any time.

SECTION 11 - UNFUNDED STATUS OF PLAN; STATUS OF PAYMENTS

The Plan is intended to constitute an unfunded incentive compensation plan. With respect to any payments not yet made to a Participant by the Company, nothing herein contained shall provide any Participant with any rights that are greater than those of a general, unsecured creditor of the Company. No payments under this Plan shall be taken into account in determining a Participant's benefits under any compensation, pension or welfare plan, program or arrangement maintained by the Company or any Affiliate.

SECTION 12 - WAIVER

No failure on the part of the Company, any Affiliate, the Committee or the Board of Directors to exercise, and no delay in exercising, any right or power under the Plan shall operate as a waiver of any such right or power; nor shall any single or par-

tial exercise preclude any other or further exercise of a right or power or the exercise of any other right or power.

SECTION 13 - SEVERABILITY

Each provision of the Plan will be interpreted in such manner as to be valid and effective but if any provision shall be ruled invalid or unenforceable by any court of competent jurisdiction, the invalidity or unenforceability of such provision shall not affect any of the remaining provisions of the Plan and the invalid terms shall be deemed to be replaced by a valid term which most closely reflects the intent of the Plan.

SECTION 14 - GOVERNING LAW

The validity, construction and effect of the Plan, the Award Certificates, and any rules and regulations relating to the Plan or an Award Certificate shall be determined in accordance with the laws of the State of New York, without reference to conflicts of law. This Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended.

SECTION 15 - LIABILITY

No member of the Committee and no director, officer or employee of the Company or any of its Affiliates shall be liable to any person for any action taken or omitted in connection with the administration of the Plan unless attributable to his or her own fraud or willful misconduct; nor shall the Company be liable to any person for any such action unless attributable to fraud or willful misconduct on the part of a director, officer or employee of the Company or one of its Affiliates.

SECTION 16 - EFFECTIVE DATE

The Plan shall be effective as of July 1, 2000 and shall continue until terminated by the Board of Directors of the Company or the Committee.

SHARE IN LEHMAN BROTHERS' INVESTMENT SUCCESS

*Lehman Brothers is pleased to provide you with this booklet outlining the details of the **Lehman Brothers Partnership Account Plan**. Through the Partnership Account, all employees can benefit from the Firm's experience and expertise in private equity investing.*

ALL EMPLOYEES JOIN IN INVESTMENT OPPORTUNITIES

Lehman Brothers has a long and successful track record in private equity investments. Over the years, the Firm has provided senior-level employees with opportunities to invest along with outside investors in the merchant banking and venture capital funds. Investors in these funds have to meet income or net worth requirements set by the U.S. Securities and Exchange Commission.

With the introduction of the Partnership Account, the Firm is extending the opportunity to share in the success of these investments to employees up through the Vice President level — without requiring you to invest any of your own money. Lehman Brothers is establishing a portfolio of investments and will provide you with cash payments as if you were to invest directly in the portfolio yourself.

Extending this unique compensation program to all Lehman Brothers employees underscores the value the Firm places on all of our contributions, and reaffirms Lehman Brothers' commitment to being among the best places to work.

WHAT IS PRIVATE EQUITY INVESTING?

Unlike publicly traded stocks, which are listed on exchanges, such as the New York Stock Exchange or the London Stock Exchange, private equity investments are not available to the general investing public. Instead, they are offered only to institutional investors (such as Lehman Brothers) and to individual investors who have a high level of investing knowledge and experience.

Private equity portfolios might contain the following investment types:

- ◊ Start-ups, companies that are being formed to develop and market a business idea, and early and later-stage venture capital;
- ◊ Privately owned, or in certain cases publicly owned, companies with prospects for continuing growth;
- ◊ Leveraged and management buyouts, where a group of investors buys an established company financed principally with debt, by providing equity capital or other money that is designed to earn equity-like returns.

THE PARTNERSHIP ACCOUNT CAN DELIVER SIGNIFICANT VALUE

In this booklet, you'll find out how valuable the Partnership Account can be as a result of these distinctive features:

- ◆ **When Lehman Brothers' Partnership Account portfolio investments succeed, you share in the success.** Lehman Brothers selects Partnership Account investments with the potential to generate high returns. You will receive payments based upon the returns on these investments.
- ◆ **There's no risk to you.** You don't contribute any of your own money, so you have nothing to lose.
- ◆ **The Firm supplies the capital and the expertise.** Any money invested in the Partnership Account portfolio comes from Lehman Brothers, and the Firm's experienced professionals identify investments and manage the portfolio.
- ◆ **After three years, your account is fully vested.** As long as you remain a Lehman Brothers employee for three years following the Partnership Account inception date, you are entitled to receive any payments made under the program.
- ◆ **The Firm plans to make ongoing Partnership Account offerings.** The first Partnership Account will make investments over

the next 18 months; the Firm then plans to establish new Partnership Accounts annually around the time bonuses are announced. This gives you an ongoing opportunity to participate in the Firm's investment success.

To many Lehman Brothers employees, portfolios like the one held by the Partnership Account are new and unfamiliar. It's important for every participant to clearly understand how the program works. For that reason, this booklet gives a plain English explanation of the program. For the legal provisions that govern the program, please see the enclosed Lehman Brothers Partnership Account Plan Document.

NO ACTION OR CONTRIBUTIONS REQUIRED

You don't need to enroll in the Partnership Account, contribute any money, or take any other action. If you are a full-time employee on active status with Lehman Brothers or a consolidated subsidiary, at a level up to and including Vice President, you take part in the program automatically. The enclosed Partnership Account Award Certificate verifies that you are a participant.

A WORD ABOUT INVESTMENT RISK

Lehman Brothers intends to invest the Partnership Account portfolio in highly speculative investments. There are no guarantees that the investments selected will be successful. And, of course, it's not possible to accurately predict how soon they might deliver investment returns.

Lehman Brothers has created the Partnership Account because the Firm believes it could give you substantial rewards over time. However, as you read this booklet, keep in mind that while the program has the potential to provide you with large payments, it's also possible that you might not receive payments at all, or that payments might be spread out over many years.

You don't need to take any action to participate in the Partnership Account.

PARTNERSHIP ACCOUNT

INVESTMENTS CHOSEN FOR GROWTH POTENTIAL

Through the Partnership Account, Lehman Brothers puts the Firm's extensive investment experience and analytical resources to work for you by investing primarily in private equity investments. These investments, while high risk, offer a unique opportunity for high investment returns.

The Partnership Account is modeled on investments offered to sophisticated private investors and to the Firm's senior-level employees. The Firm has created several private equity funds for institutional and high-net-worth individual investors over the years and has a history of generating substantial returns. *However, past performance does not guarantee future results.*

WHAT IS THE PARTNERSHIP ACCOUNT FOR SENIOR-LEVEL EMPLOYEES?

Lehman Brothers offers a different type of Partnership Account to the Firm's senior-level employees (those at the level of Vice President, or equivalent, and above) who meet income or net worth requirements set by the U.S. Securities and Exchange Commission. Though the two programs are different, they will share the same investment portfolio. This means that your payments from the Partnership Account are based on the performance of the same investments as the ones in the investment fund for the Firm's senior-level employees.

SETTING ALLOCATIONS AND MAKING INVESTMENT DECISIONS

The Lehman Brothers Executive Committee has established a special committee, called the Partnership Account Allocation Committee, to set the overall investment strategy for the Partnership Account portfolio and to monitor its ongoing performance. The Partnership Account Allocation Committee is made up of senior Lehman Brothers employees and is chaired by Michael McKeever, Head of the Firm's Private Equity Division.

The Partnership Account Allocation Committee determines the amounts to be invested among broad investment categories. The categories include investments managed by Lehman Brothers and, in some cases, by managers not affiliated with the Firm.

In each investment category, a manager and an investment team are responsible for identifying potential investments, conducting due diligence investigations, and making recommendations to the Private Equity Investment Committee (a committee separate from the Partnership Account Allocation Committee). The Private Equity Investment Committee is comprised of senior Lehman Brothers employees and is responsible for the oversight and approval of all private equity investments at Lehman Brothers.

See the chart on page 7 for a summary of the investment categories, describing the types of investments included in each category, its history at Lehman Brothers, and the individuals responsible for investments in each category.

Additionally, the Partnership Account portfolio may include investments in new Lehman Brothers funds targeting investments in different asset categories.

YOUR AWARD CERTIFICATE SHOWS YOUR STARTING POINT

The total amount shown on your personalized Partnership Account Award Certificate represents the investment amount at work for you. You will receive payments based on the investment performance of this total amount.

The total amount shown on your Award Certificate is made up of two parts: your **base award** and the **leverage amount**. Before you begin participating in the Partnership Account, Lehman Brothers first sets the amount of your base award. Then the Firm adds leverage — essentially, an amount that represents borrowed capital — to increase the total amount that goes to work for you. The leverage amount provided for you is ten times the base award.

Please keep in mind that the total award amount is not literally your property. Rather, Lehman Brothers uses the total amount as a basis for determining the amount of payments you will receive.

BASE AWARD AND LEVERAGE WORK TOGETHER

The illustration below shows how your base award is added to the leverage amount to form the total amount Lehman Brothers puts to work for you.

*Base Award + Leverage Amount
= Total Amount at Work for You*

For example, assume your total Partnership Account award is \$10,000. The \$10,000 is made up of one part base award and 10 parts leverage.

EXAMPLE: PARTNERSHIP ACCOUNT STARTING POINT	
Base Award	\$909
Leverage Amount	\$9,091
Total Amount at Work	\$10,000
Leverage Ratio (leverage-to-base)	10-to-1

In addition to receiving payments from investment returns on the total award amount, you also receive payments equal to the base award — as long as the Partnership Account portfolio returns are sufficient and you meet the program's other requirements. However, the leverage amount is not paid out to you under any circumstances. Instead, it is "repaid" to the Firm.

LEVERAGE MEANS MORE POTENTIAL GROWTH

By adding the leverage amount, Lehman Brothers puts more money to work in the Partnership Account portfolio. It's similar to when investors borrow money (for example, through a margin account) that they then invest. This technique allows them to invest a larger amount and thus increase their potential gains. Although the Partnership Account leverage amount is "repaid" to Lehman Brothers with interest, if the investments perform well, the leverage amount can magnify the payments to you.

LOOKING FOR AN EVERYDAY EXAMPLE OF HOW LEVERAGE WORKS?

Using leverage to purchase an investment is like taking a bank loan to buy a house. When you buy a house, you make a down payment. The bank lends you the remaining money — this is your leverage.

Now, suppose you sell the house at a profit. You're required to pay back the loan amount, plus interest, to the bank. But the profit from the sale is yours to keep. That's how a small amount of money up front can produce returns that reflect a much larger investment.

This example is intended only to give a simplified explanation of how leverage works. The Partnership Account offers advantages that a home mortgage does not — for example, you receive profits on portfolio assets without taking an ownership interest, and you are protected from personal loss.

Lehman Brothers charges interest on the leverage amount it provides. For the Partnership Account 2000-2001, the interest rate charged is Lehman Brothers' long-term cost of funds. On June 15, 2000, this interest rate stood at 7.8%.

YOUR AWARD CERTIFICATE SHOWS THE AMOUNT AT WORK FOR YOU

Your personalized Partnership Account Award Certificate, enclosed in this package, shows the maximum amount Lehman Brothers can put to work for you in the Partnership Account, including your base award and the leverage amount. The amount on your Award Certificate depends on your level within the Firm.

Turn to your personalized Award Certificate, included in this package, to find the amount at work for you in the Partnership Account.

TIMELINE: INVESTING DURING THE AWARD PERIOD

*Lehman Brothers intends to invest the amount shown on your Award Certificate over the 18-month period from July 1, 2000 through December 31, 2001 — known as the **award period**.*

Throughout the award period, the Partnership Account Allocation Committee determines the allocation of assets among the investment categories described on page 7.

Within the category allocations, Lehman Brothers investment management teams identify potential investments. The investments are then subject to review and approval by the Private Equity Investment Committee.

The goal of the investment management teams is to select an exceptionally attractive portfolio of investments for the full amount of your Partnership Account award during the award period. However, if the Partnership Account is not fully invested or committed by December 31, 2001, the Firm may

decide to extend the award period. If your award amount is not fully invested, the total amount at work for you could be smaller than the total amount shown on your Partnership Account Award Certificate. The payments you will receive from the Partnership Account will be based upon the amount actually invested.

If the award amount is fully invested before the end of the award period, the Firm may decide to launch the next Partnership Account before December 31, 2001.

TIMELINE: WHEN YOUR ACCOUNT VESTS

Your Partnership Account is 100% vested three years after the inception date (that is, on July 1, 2003), as long as you remain continuously employed by Lehman Brothers through that date.

Once you're vested, you're entitled to receive payments under the program from that time forward, even if you later leave the Firm. You will then automatically receive Partnership Account payments when other participants do.

Under the Partnership Account, vesting means you have a right to receive the returns generated by the portfolio investments, but it does not mean you have a direct ownership interest in any of the underlying portfolio investments.

PURSuing AN ADVANCED DEGREE?

If you participate in the Partnership Account and leave before the vesting date to attend an approved degree program, special vesting provisions apply. The purpose of the special provisions is to ensure that employees who return to Lehman Brothers after receiving an MBA or other approved degree still benefit from participating in the Partnership Account.

Under these special provisions, your Partnership Account may vest after you receive your degree, return to Lehman Brothers, and are re-employed by the Firm for one full year. Your account will not vest earlier than the three-year anniversary of the inception date. For the provisions to take effect, you must:

- ◆ be an employee in good standing when you leave;

- ◆ leave the Firm to pursue an MBA or other degree approved by Lehman Brothers and successfully complete your degree program;
- ◆ receive a written offer of employment from Lehman Brothers;
- ◆ return to the Firm within four years of leaving and within one year after graduating;
- ◆ not have held a full-time job with a competing firm before returning; and
- ◆ be re-employed by the Firm for one full year.

If your future plans include returning to Lehman Brothers after attending school on a full-time basis, talk with your divisional Human Resources representative about the effect on your Partnership Account balance.

Your account vests immediately if you're an active employee and one of the following events occurs after the inception date but before the vesting date:

- ◇ you retire after meeting the conditions for retirement under the Firm's qualified defined benefit pension plan, and you do not go to work for a competitor before July 1, 2003;
- ◇ your employment ends as a result of a disability (as defined in the enclosed plan document) or in the event of your death.

***If you leave Lehman Brothers before
you are vested, your Partnership
Account is forfeited.***

If you've left the Firm to pursue an approved degree, and while doing so, you become disabled or die, you are not entitled to the special vesting provisions above, and your Partnership Account is forfeited.

Additionally, if you leave Lehman Brothers or are terminated for any reason before you are vested on July 1, 2003, you receive no payments under the program, and your Partnership Account is forfeited.

PARTNERSHIP ACCOUNT

TIMELINE: HOW YOUR PAYMENTS ARE DETERMINED

As Partnership Account portfolio investments are sold, the payments you receive are determined as if the proceeds were allocated according to the following schedule.

A STEP-BY-STEP GUIDE TO ALLOCATING INVESTMENT PROCEEDS

The allocation schedule shown above is essentially for bookkeeping purposes only. No actual cash will change hands — except the payments made to you. The schedule shows only how Lehman Brothers determines the amount of your payments through the Partnership Account.

Step 1: Investment proceeds are first used to “pay” the interest costs on your leverage amount.

Step 2: Investment proceeds are next used to “repay” your full leverage amount. Repayments are made as investment proceeds are realized. This reduces your leverage amount as quickly as possible and lowers the interest costs on your leverage.

Step 3: Investment proceeds are then credited to your Partnership Account, up to the amount of your base award. If investment proceeds are not sufficient, you might not receive payment of the full amount of the base award.

Step 4: Any remaining investment proceeds are allocated between your Partnership Account and Lehman Brothers.

◇ The Firm's share, called its *carried interest*, is calculated so that, in most cases, the Firm receives 10% of all *profits* generated by the Partnership Account portfolio. Profits include all gains on investments, before interest charged on the leverage amount. (The purpose of the carried interest is to reimburse the Firm for the cost incurred in managing the investment portfolio.) For certain investments, particularly in the Fund of Funds category, the Firm's carried interest may be less than 10%.

◆ Your Partnership Account is credited with the remaining investment profits — generally, this means 90% of all profits from investments after interest charged on the leverage amount.

Please keep in mind that Partnership Account investments are considered high-risk. If the investments perform poorly, you might not receive any payments from the program. However, under no circumstances will Lehman Brothers ask you to contribute money to your Partnership Account.

WHY DOES THE FIRM RECEIVE CARRIED INTEREST?

Investment managers that identify and manage the assets in private equity funds typically receive a management fee, plus a portion of the profits generated on fund investments. The manager's portion is known as carried interest and generally totals between 20% and 25% of all investment profits. Lehman Brothers serves as investment manager for the Partnership Account portfolio — but the Firm has decided to waive the management fee and to limit its carried interest to just 10%. In the Fund of Funds category, the carried interest received by Lehman Brothers will be reduced.

REPAYMENT OF LEVERAGE IN FUTURE PARTNERSHIP ACCOUNTS

In future years, the program will contain a provision for *cross-collateralization*. Under this provision, any unpaid leverage that might be left in your account from a previous award period could be paid out of the current Partnership Account's investment proceeds. This might occur if the previous Partnership Account has not yet repaid all of its leverage amount out of its own investment proceeds. The cross-collateralization provision helps reduce the financial risk to Lehman Brothers, in exchange for the high level of leverage it extends to employees in the Partnership Account.

TIMELINE: WHEN YOU RECEIVE PAYMENTS

The Firm intends to keep Partnership Account portfolio investments at work for you until they reach their full value. Achieving maximum growth potential on these portfolio investments generally requires holding them for the long term. Then, as investments are liquidated, you receive cash payments.

IF INVESTMENTS ARE LIQUIDATED BEFORE THE VESTING DATE

You receive payments only after you become fully vested. However, some investments could be liquidated and proceeds could be realized by the Firm before the end of the vesting period (that is, before July 1, 2003). In that event the proceeds will continue to earn a return, but payments to you will be deferred until the vesting date.

IF INVESTMENTS ARE LIQUIDATED AFTER THE VESTING DATE

Most likely, you will receive the full value of your Partnership Account gradually, following the three-year vesting date. That's because the private equity investments on which your payments will be based generally take additional time to mature. Therefore,

**You receive Partnership Account
statements to help you keep track
of investment performance.**

any payments you receive upon vesting may represent only a fraction of the total amount you may ultimately receive under the Partnership Account.

After July 1, 2003, Lehman Brothers anticipates combining investment proceeds into periodic payments that you will receive once each year.

IF INVESTMENTS ARE LIQUIDATED AFTER YOU LEAVE LEHMAN BROTHERS

As long as you are fully vested, you receive ongoing payments automatically whenever they are made — even if you are no longer a Lehman Brothers employee.

STATEMENTS HELP YOU TRACK INVESTMENT PERFORMANCE

During the vesting period and beyond, Lehman Brothers will send you account statements, to help you keep track of the Partnership Account portfolio's investment performance. However, it might not always be possible to accurately state the value of certain portfolio investments. Many portfolio investments remain valued at cost until an event occurs that suggests a different valuation is appropriate.

OPTION TO COMPLETE PAYMENTS AFTER FIVE YEARS

Five years from the start of the award period (that is, on July 1, 2005), Lehman Brothers can decide to make full payments under the Partnership Account based on the fair value of any remaining investments in the portfolio, as determined by the Firm. The Firm also can decide to pay an amount equal to the fair value of the portfolio on any future anniversary of this date. In essence, the Firm can make the payments that would be required if all investments were liquidated at their fair value. This option allows the Firm to close out the Partnership Account 2000-2001 after a period of five years.

TAX TREATMENT OF PAYMENTS

Payments you receive through the Partnership Account are considered taxable compensation income at the time you receive them. The payments are subject to ordinary income tax rates. Lehman Brothers will withhold tax from your payments as required by law in the United States and other countries.

If you are an employee in the United States, you are subject to FICA tax (that is, Social Security and Medicare taxes) at the time your Partnership Account vests — even if you do not receive a cash payment under the program at that time. To help you manage the tax withholding liability, Lehman Brothers plans to advance the tax payment money to the IRS on your behalf. The amount of the tax will then be withheld from your next bonus check or from other payments that may be due to you.

EXAMPLE

The Partnership Account provides payments to you based on the performance of portfolio investments. Look over the example on the next page to see how the Partnership Account can add to the other parts of your Lehman Brothers compensation.

WHAT DOES THE EXAMPLE SHOW?

The following hypothetical example is intended to illustrate the possible payments that you could receive from participating in a single Partnership Account. Keep in mind that you do not receive the amount shown on your Award Certificate — your maximum payment equals your base award plus the applicable portion of returns from Partnership Account investments.

The example uses the following assumptions:

- ◇ \$10,000 Award Certificate
- ◇ Full payment after four years
- ◇ 7.8% interest cost on leverage amount
- ◇ Before income taxes and FICA

Naturally, if these assumptions and rates of return are different from actual results, your Partnership Account payments will be different from the dollar amounts shown.
